IMPORTANT MESSAGE TO FAMILIES:

KLO is unfortunately experiencing an increase in bathroom vandalism and general disregard for the cleanliness of our school.

Bathrooms - As a result of the ongoing vandalism, many bathrooms at KLO are currently closed for repair and cleaning due to damage and graffiti. Our custodians are working very hard to repair and clean up these messes so they may be reopened.

Hallways - There are bins all around the school for students to throw away trash, recycling and compost. Unfortunately, there are numerous food messes all around the school.

These problematic actions create negative ripple effects for our school community. Please continue these conversations at home with your child and encourage them to respect their school by keeping our school spaces clean. Our team has made announcements reviewing the health and safety protocols. We will also be visiting individual classes to further these conversations with students.

I learned a new skill not typical for school.

Discovery Days have been so much fun! I loved meeting new kids with similar interests to mine!

I was great to go somewhere outside of school!

KLO Modular Farm Club

The KLO Modular farm produces approximately 300+ heads of lettuce per week.

Farm duties include harvesting lettuce and herbs, cleaning trays, filters, and pump bags, calibrating sensors, planting seeds, transplanting seedlings, and packing bins for our hamper subscribers.

Farm Club is run within the timetable during blocks 3, 7 & 8 (depending on the block rotation of the week).

Get involved! Students meet on Mondays at lunch in room 15 and sign up with Ms Lockwood for the week's duties.
